Good to know

Entry is free. Only a few seated and lounge areas are ticketed.

Getting there On foot, by bike or by public transport. The centre is closed to traffic; buses run a denser timetable all weekend. Your car park ticket also counts as a tram ticket on all three days.

On site Toilets at four points, one of them step-free. First aid and the info point sit next to the Main Square Stage. Two free drinking water stations — bring a bottle.

Cups All drinks come in reusable cups, two euro deposit. Return them at any bar, not just the one you got them from.

Please leave at home Glass, fireworks, drones and large bags. Assistance dogs are welcome everywhere; other dogs are better off at home.

Lost something? Ask at the info point, or write to us afterwards.
